## Introduction

T-30.in.1. The new beginning now becomes the focus of the curriculum. 2 The goal is clear, but now you need specific methods for attaining it. 3 The speed by which it can be reached depends on this one thing alone; your willingness to practice every step. 4 Each one will help a little, every time it is attempted. 5 And together will these steps lead you from dreams of judgment to forgiving dreams and out of pain and fear. 6 They are not new to you, but they are more ideas than rules of thought to you as yet. 7 So now we need to practice them awhile, until they are the rules by which you live. 8 We seek to make them habits now, so you will have them ready for whatever need.
